ABOUT ME

I am a final-year Bachelor of Information Technology student at North-West University (NWU), expected to graduate in 2027. I currently have no formal work experience, but I have invested my time in building a strong foundation through seven industry-recognized certifications from Microsoft, Cisco, and ITvarsity, as well as five self-initiated development projects. I am actively seeking my first opportunity, whether an internship, graduate role, or entry-level position, where I can contribute, grow, and gain real-world experience in a professional IT environment.

EDUCATION

North-West University (NWU) – Bachelor of Information Technology	2023 – Present
• Currently in final year of study (2026) • Expected graduation: 2027 • Relevant Courses: Programming, Database Management, Networks, Systems Analysis, IT Project Management	

CERTIFICATIONS & TRAINING

Microsoft Certified: Azure AI Engineer Associate	May 2026
<i>NEMISA / Microsoft</i>	
• Competency: Azure AI Services, Machine Learning, NLP, Computer Vision, AI Solution Design	

Microsoft Certified: Power BI Data Analyst Associate	May 2026
<i>NEMISA / Microsoft</i>	
• Competency: Power BI, Data Modeling, DAX, Dashboards, Business Intelligence, Data Visualization	

Microsoft Certified: Azure Data Scientist Associate	Mar 2026
<i>NEMISA / Microsoft</i>	
• Competency: Azure Machine Learning, Data Science, Cloud AI, Model Deployment	

Data Analytics Essentials	Apr 2026
<i>Cisco Networking Academy</i>	
• Competency: Data Analysis, Data Visualization, Statistical Thinking, Reporting	

Getting Started with Cisco Packet Tracer	Mar 2026
<i>Cisco Networking Academy</i>	
• Competency: Network Simulation, Packet Tracer, Network Configuration, Troubleshooting	

Introduction to Cybersecurity	Apr 2025
<i>Cisco Networking Academy</i>	
• Competency: Cybersecurity Fundamentals, Threat Awareness, Online Safety, Network Security	

Certificate in Full Stack Development	Jul 2025
<i>FNB App Academy 2025 / ITvarsity</i>	
• Competency: HTML, APIs, UX Design, Backend Development, Data Management, GitHub, Business Development	

PROJECTS

CRUD Application • A full-stack web application implementing Create, Read, Update, and Delete operations for managing records in a database. • Technologies: HTML, CSS, JavaScript, PHP, MySQL	2026
Personal Portfolio Website • A responsive personal portfolio website showcasing projects, skills, and contact information for potential employers. • Technologies: HTML, CSS, JavaScript	2026
Vehicle Rental System Project • A system designed to facilitate and modernize corporate vehicle rental and return procedures. • Technologies: HTML, ASP.Net, MySQL	2025
Weather App • A web application that fetches and displays real-time weather data for any city using a third-party weather API. • Technologies: HTML, CSS, JavaScript, OpenWeatherMap API	2026
TradeRoute Logistics System • A logistics management system designed to track shipments, manage routes, and streamline delivery operations. • Technologies: Python, MySQL, HTML, CSS, JavaScript	2026

SKILLS

Technical Skills

- Programming (Python, Java, JavaScript, C++, C#)
- Database Management (MySQL, PostgreSQL)
- Web Development (HTML, CSS, JavaScript, PHP)
- Cloud Computing & AI (Microsoft Azure)
- Data Analytics & Visualization (Power BI, Excel)
- Networking & Cybersecurity (Cisco, Packet Tracer)
- Full Stack Development (Frontend & Backend)
- Version Control (GitHub)

Interpersonal Skills

- Logical and analytical thinking
- Strong attention to detail
- Teamwork and collaboration
- Good written and verbal communication
- Self-motivated and eager to learn
- Adaptable to new technologies quickly
- Problem solving and critical thinking
